

Whether on skin or the finest fabric, tattoo-inspired art is a personal statement, a means to identify with others, or simply a deep appreciation of beauty. Tattoo Tribe apparel draws its inspiration from the rich history and extraordinary range of tattoo designs, patterns and symbols from tattooing cultures around the world. Tattoo Tribe incorporates traditional tribal tattooing designs from Southeast Asia and the South Pacific to the classic pin-up girls and tattoo symbols and icons of the 30's and 40's. Tattoo Tribe has painstakingly created authentic tattoo fashion apparel inspired by original tattoo art.
